CARE & MAINTENANCE

- ▶ Avoid using scourers and abrasives on Ayna Wall Panels - They will damage the surface.
- ▶ Do not use waxes and polishes, they dull the natural finish.
- ▶ Ayna Wall Panels will withstand normal wear and tear, but can be damaged by scratching or cutting with utensils, knives and other sharp objects.
- ▶ To minimise scratching, always place and lift objects from the surface - never drag or slide them across the surface.
- ▶ A damp cloth removes spills and greasy spots. Rub with a clean, dry cloth to bring back brightness. Occasionally clean with warm soapy water.
- ▶ To remove heavy build-up of dirt use any Glass & Surface Cleaner.

TECHNICAL SPECIFICATIONS

PROPERTIES	TYPICAL VALUES	TEST METHOD
Thickness Tolerance	±3%	ASTM D1593
