# About US

Euro Pratik is an innovative designer and importer of products, with an objective of creating a world-class interior & exterior environment. At our core, we are design driven and we apply that creative thought process to both product development and internal operations.

With credible experience, expertise & understanding of the interior décor industry we have been able to achieve great heights by sourcing importing materials from Canada, Germany, Italy, Malaysia, Korea, Thailand, Indonesia, Vietnam, Burma, Netherlands and USA , thereby bringing desirable global interior décor solution closer to the Indian market at a competitive cost.

PU Smart Panels

Size  
2440 mm x  
1220 mm  
Thickness 1.5 MM

Note: It is recommended to not use any kind of masking tape on the surface to avoid damage. Instead, use a nailing pressing method to press sheet on plywood/MDF. Don't use any kind of chemical or thinner for cleaning.

Recommended Euro Pratik  
Special Purpose Adhesive

Euro Pratik products adds natural beauty to your interiors. Color Variance, Slubs, Weave irregularities and Shading that appears in these panels are to enhance natural beauty and are not imperfections. Utmost care has been taken to give accurate description & technical specification. Errors and omissions, if any please excuse. Technical specifications and product are subject to change without prior intimation. Use same batch material to avoid color variation. EURO PRATIK warrants that all products are free from manufacturing defects and perfectly fit for use in normal conditions. No Guarantee/Warranty of the Product after installation. (Dimension Tolerance +/- 5-10%)
