we understand

We are Dorset, an ISO 9001:2015, EMS 14001:2015, BS OHSAS 18001:2007 organization with over two decades of experience as a reputed manufacturer of architectural hardware & provider of high security locking solutions. We combine new age aesthetics with cutting edgem technology. The result is a range of path breaking products that redefine functionality, reliability and durability. Our collection includes door handles, door locks, security systems, Digital Locks, door control systems, glass hardware, accessories and electronic safes covering all sectors including homes, offices, establishments & industrial facilities. Besides adding new segments to our existing range we are in the process of expanding our international presence and further enhancing our quality standards by equipping ourselves with the powers of Automation, Emerging Technologies backed by a full-fledged research unit comprising four independent R & D cells dedicated to ushering in tomorrow, today. At the heart of it all is our understanding of the evolving technological scenario and changing consumer needs. We understand that in order to stay ahead we have to keep innovating to keep delighting our customers.
