NEOFAB

FABRIC PANELS

NEOFAB Fabric Wall Panels are a great way to add color, texture and depth into a simple space and give it an extraordinary transformation. These wall panels can be made of special cleanable Fabric with HIPS base. Besides, a well-designed panel can also become the focal accent in the room and light it up like never before. Neofab are unique decorative wall panel designs that you can implement in your upcoming projects to make it stand out.

Thickness: 1.5 mm
